Welcomes You to Trusted Industrial Solutions

Established in the year 2000, **Verix Engineers** has earned a distinguished position as a leading manufacturer and supplier of high-quality industrial components. Our portfolio includes Panel Locks, Panel Hinges, Industrial Handles, Cable Drag Chains, Air Vent Grills, Rubber Grommets, Three Point Locks, Bakelite Knobs, and many more.

With a firm commitment to quality, innovation, and customer satisfaction, we ensure that every product meets the highest standards. Our transparent and ethical business practices have helped us build long-term trust-based relationships with clients.

Under the able leadership of our mentor, Mr. Rajiv Patel, we have grown into a respected and reliable name in the industry. His profound knowledge and ethical trade values have been instrumental in shaping our success.

Certified

Trusted by Industry Since 2000

OUR MISSION

our mission is to manufacture and supply superior-quality industrial components that empower industries with performance, precision, and reliability. Since 2000, we have remained committed to innovation, customer satisfaction, and ethical business practices, ensuring lasting partnerships built on trust and transparency.

OUR VISION

Our vision is to be a globally recognized leader in industrial component manufacturing, known for our quality, integrity, and excellence. We aim to continually invest in advanced technologies, skilled talent, and sustainable practices to drive growth and set new benchmarks in the engineering and manufacturing sector.

Why Choose Verix Engineers?

1

25+ Years of Industry
Experience

2

In-House Manufacturing
& Quality Testing

3

Timely Delivery &
Transparent Dealings

4

Customized Solutions for
Industrial Needs

5

Competitive Pricing &
Prompt Support

Our Certifications &
Accreditations
